TOWN WARRANT.

STATE OF NEW HAMPSHIRE.

To the inhabitants of the town of Newport, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall, in said Newport, on the second Tuesday of March next, at nine o'clock in the forenoon, to act upon the following subjects, namely:

Art. 1. To choose three Selectmen, a Town Clerk, and a Town Treasurer, for the year ensuing.

Art. 2 To choose a Collector of Taxes, and all other necessary town officers and agents for the year ensuing.

Art. 3. To raise and appropriate such sums of money as may be necessary for the support of schools, for the payment of the town debt and defraying the interest thereon, and for other necessary charges arising in said town, for the maintenance of the poor, for cemeteries, parks and commons, to improve the same, and for the maintenance of water works, and pass any vote relating thereto.

Art. 4. To see what sums of money the town will vote to raise and appropriate for laying out and repairing highways and sidewalks, and building and repairing bridges, and pass any vote relating thereto.

Art. 5. To hear the reports of the Town Treasurer, Board of Selectmen of the town, and the reports of the Auditor, Agents, Committees, or other officers heretofore chosen or appointed, and pass any vote relating thereto.

Art. 6. To see if the town will vote to appropriate the sum of seventy-five dollars to defray the expenses of Memorial Day and pay the same over to the quartermaster of Fred. Smyth Post, No. 10, Department of New Hampshire, G. A. R.

Art. 7. To see what sum of money the Town will vote to raise and appropriate for lighting the streets of Newport village, and pass any vote relating thereto.

Art. 8. To see if the town will vote to raise and appropriate the sum of one thousand eight hundred and fifty dollars to pay the Berlin Bridge Co. for the steel bridge at Kelleyville.

Art. 9. To see if the town will vote to accept the bequest of the late Henry G. Carleton, deceased, with the trust thereto connected.

Art. 10. To see if the town will accept fifty dollars from the estate of the late John L. Swett of this town, the income therefrom to be used to keep the Maple street cemetery lot of the deceased in proper condition.

Art. 11 To see if the town will vote to construct and maintain a fountain upon the Common and raise or appropriate money therefor, and appoint a committee to carry said vote into effect.

Art. 12. To see if the town will vote to raise and appropriate the sum of two hundred dollars for the use of the Newport Cadet Band for the year ensuing, the same to be expended by a committee of three, chosen by the selectmen of said Newport.

Art. 13. To see if the town will vote to purchase and lay a new hard wood floor in the town hall, and appropriate money to pay for the same.

Art. 14. To see what action the town will take towards purchasing a stone crusher and a roller, and to raise and appropriate money for the same.

Art. 15. To see if the town will vote to accept Section 1, Chapter 40, Act of the Legislature, 1899, relating to cemetery funds, as follows: "Any town or city which now holds or hereafter may hold in trust, by bequest or otherwise, any fund for the care of any cemetery or any private lot therein, may pay the same into the town or city treasury, and so long as the same remains therein said town or city shall pay thereon an annual income at the rate of three and one-half per cent.; which income shall be expended in accordance with the terms of the trust by which said fund or funds is held."

Art. 16. To see if the town will vote to extend its water and sewer system, and if so, at what expense; and how and in what manner such expense shall be provided for.

Art. 17. To see if the town will vote to authorize the selectmen to hire money, to an amount not to exceed one hundred and twenty-five thousand dollars, for the payment of its indebtedness now due and payable and for the payment of those parts of its indebtedness to become due and payable in July next; and for the extension of its water and sewer system; or either of said objects; and to fund said amount so borrowed by the issue of bonds in the name of the town, payable with interest semi-annually, not more than twenty years from their issue, exempt from taxation when held by citizens of the town, with interest coupons annexed; and fix the time of payment of said bonds, and the rate of interest thereon, not to exceed three per cent. per annum.

Art. 18. To transact any other business that may legally come before said meeting.

Given under hands and seal this 23d day of February, A. D. 1901.

In submitting this report your attention is respectfully called to a few facts.

The receipts from out of town sources are usually considerably in excess of the expenditures in such cases and the surplus can be applied to miscellaneous expenses. The receipts this year from this source, however, have been about half those of last year, two companies alone in 1899 having paid \$123. Town's people are only charged for the estimated expense incurred in each case. \$8.62, one-half the expense of repairing the rollway on the south side of hall, and \$19.70 for painting, cleaning, etc., in the ante rooms are additional items. Several town and school meetings and the rallies and caucuses attendant upon a general election have also helped to make a deficit. The expenditure for wood seems large because a supply has been laid in for next year and this winter's wood was bought during the present fiscal year instead of during last year.

I believe that steam heat would save nearly half the expense for fuel and it would certainly decrease the danger from fire which is great at present. New scenery and better stage facilities are greatly needed, as a large part of the annual income is derived from their use.

Respectfully submitted, S. H. BASCOM, Agent.

Selectmen's Statement.

In presenting to the citizens of Newport our annual report showing the receipts and expenditures with the financial standing of the town for the year ending Feb. 15th, 1901, we wish to state a few facts which may be of interest to the tax payers.

The highways, though not costing as much as the year previous, yet there has been some permanent improvements made which we wish to explain. For years the bridge near Mr. Stubbs' has been an expensive structure to keep in repair and as it was washed away in the freshet of last February, it seemed as though the time had arrived when the town should remedy this evil, so after a due amount of investigation we bought a second hand iron bridge of the King Bridge Co., of Cleveland, Ohio, for \$344 added to this the freight, cost of erection including new abutments, oak stringers, new planks, painting etc., we had a strong and durable bridge completed at an expense of \$875. There has been expended about \$450 for the improvements on Park St., which the town voted to do at its annual meeting last March. For the two years previous the selectmen have been a good deal concerned in regard to the old covered bridge at Kelleyville and the present board became satisfied in their own mind that something ought to be done so we employed two experienced bridgemen to see what could be done with the old bridge and after a thorough examination of the same they pronounced it unsafe and not in fit condition to make repairs upon, so we bought a new steel bridge of the Berlin Bridge Co., for \$1850 all completed, the town to furnish the lumber. The abutments not being in proper condition for such a bridge, Mr. G. W. Kelsey relaid the same in a thorough and workmanlike manner at an expense of \$232.25. The stringers are of first class oak and the planks are of the very best of hemlock, the two costing \$158.22 which amounts have been paid for out of the town fund. There is due the \$1850 to the bridge company payable Mar. 15th.

There has been an increase of the town debt the last year. At the adjourned town meeting held Nov. 10th, it was voted to appropriate \$2000 extra for schools, \$600 for improvements in Maple St. cemetery, of which amount only \$247.33 has been expended. Last year's bill of \$857.59 for text books and supplies has been paid, also this year's bill for \$853.22. All of these extra expenses have been paid out of appropriation of the annual meeting of last March.

FREDERICK W. AIKEN,	} Selectmen of Newport.
JOHN C. SILSBY,	
FRANK C. FOSTER,	

Auditors' Report.

We, the undersigned, auditors of the town of Newport, hereby certify that we have this day carefully examined the foregoing accounts of the Board of Selectmen for the fiscal year ending Feb. 15th, 1901, showing a balance of cash to the credit of said town of one thousand five hundred, forty-nine dollars and 66 cents, (1,549.66), and find same correctly cast and properly vouched. We also find that the following notes have been paid:

Of this amount seven thousand and eighty-four dollars and thirty-five cents was expended in constructing mains and service pipe connection as follows :

On Belknap avenue, Pine and Spring streets line, fifty-five hundred and twenty-six dollars and eighty-three cents. On service connections fifteen hundred fifty seven dollars and fifty-two cents. To reduce this amount cash has been received from J. M. Barton and others for service pipes laid, and from miscellaneous account, nine hundred and eight dollars and fifty cents, leaving six thousand one hundred seventy-five dollars and eighty-five cents to be added to the cost of the system as reported Feb. 15, 1900, makes the net cost to Feb. 15, 1901, of seventy thousand three hundred twelve dollars and fifty-two cents, leaving the balance eight hundred sixty-three dollars and ninety-six cents to be charged to the maintenance and repairs account. This includes salaries of commissioners and superintendent, shop and office rent, labor, taxes, fittings and other small bills amounting to seventy-nine dollars and thirty-five cents.

EXTENSIONS.

Pursuant to a vote of the town at the annual meeting in March, 1900, we have connected the main pipe on Belknap avenue with the supply line from the pond to the reservoir near the Spooner place, requiring eighty-two hundred and four feet of six inch pipe for the main line and fifty-two feet of four inch for the "blow off," (where the line crosses Sugar river). Five hydrants were set along the line as follows: One near F. W. Aiken's, R. Huntoon's, B. H. Cutting's, G. W. Cain's and the Spooner place, giving fairly good fire protection along Pine and Spring streets as far south as the Geo. E. Dame place, putting in seven six inch and one four inch gate. The whole expense amounting to fifty-five hundred, twenty-six dollars and eighty-three cents (\$5,526.83).

Forty-one services were laid during the year as follows:

Sewer Commissioners' Report.

To the Citizens of the Town of Newport :

The Board herewith submit their fourth annual report for the year ending Feb. 15, 1901.

Since beginning the construction of the sewer system in 1896, sewers have been constructed, previous to the present year along the streets named, following as near as practicable the Gustine plan.

From the outfall at the river near the Belknap Ave. bridge, along Belknap Ave., Park, Cedar, Cheney and Chase Streets to the Richards School building, from Cedar along Cheney and Crescent, to a point near the G. W. Britton place, from Cheney up Winter to a point opposite the Wellcome house, from Cedar through Park, Sunapee and Beech to the top of the hill near the house of H. B. Chase, from Sunapee Street along Cheney to a point opposite the Babbs house, from the river west of Cainville, through Pleasant to Main street, automatic flush tanks being placed at the end of all lateral branches.

Also the outfall for the southern section beginning at the river west of Peerless Manufactory, and running to a point about one-hundred feet west from South Main Street, near the Milliken block, and to the south line of the Phenix Hotel property on the north side of the river, crossing under Sugar River twice, and under Machine Shop canal once. The amount of pipe laid was eight thousand nine hundred and thirty-four feet, (8,934) which is a little more than one-fourth of the amount required to construct the whole system.

The whole expense to Feb. 15, 1900, \$5,318 09

Newport, N. H., Feb. 23, 1901.

Report of School Board.

The law requires the school board to make a full and complete annual report of the condition of the schools on or before the first day of August to the selectmen, and to file a copy of such report with the superintendent of public instruction on or before said date, imposing a forfeiture of certain money in case the statute requirement is not complied with; and the town demands an annual statement of the receipts and disbursements of the school district for the fiscal year ending on the 15th day of February, hence the necessity of covering two periods of time in the same report. That part relating to teachers and pupils submitted in the tables is the same as that contained in the report for the year ending July 31, 1900, while that part relating to the finances and condition of the schools includes such information as the people of the district may desire to have, and such suggestions as the board may think proper to make for the period ending February 15th, 1901.

The receipts and disbursements of school funds by the district treasurer and the school board being exactly the same, both as to amount and items, render a financial statement by the school board superfluous.

The district has been exceedingly fortunate during the past year by the presentation of a large, expensive and beautiful flag with a staff in all respects proportionately valuable for its support, and in the gift of a valuable seasons' chart which clearly illustrates the changes of the seasons, the causes of six months day and six months night on some parts of the globe, and the varying length of twilight at different periods of the year, and other geographical and solar phenomena difficult of comprehension by the pupils.

A more thorough course of musical instruction has been adopted, and drawing and physical culture have been introduced and taught by competent teachers; and the boys of the high school have voluntarily organized a company of cadets who are highly favored with the discipline of an efficient ex-military officer.

Heretofore the schools have been sadly deficient in physical culture and far behind our sister states in this respect, but it having been adopted and its benefits realized it is expected that the district will make special efforts to continue both the physical and military exercises which, in a great measure, are excellent substitutes for gymnastic practice in developing muscular vigor and healthy activity.

Excessive mental exercise and bodily inactivity produce an unhealthy and abnormal condition. To attain the best results the mental and physical attributes demand equal training, "Mens sana in corpore sano."

The increase in the number of branches pursued rendered necessary an additional teacher so that the high school now has a principal and a corps of four assistants.

The resignation of some of the best teachers have made the labor of the school board peculiarly difficult with respect to filling vacancies in various parts of the district, but in procuring the service of Miss Taft and of Mr. and Mrs. Dickson in the Richards School of Mrs. Dodge at Guild, of Miss Morey at Kelleyville, and of other teachers in other schools, they have fully maintained the high standard of the previous year and made considerable advancement by reason of the use of many new methods of instruction.

The curriculum ought to be revised reducing the number of studies required to be pursued in a term, and the course in the grades ought to be so arranged that in passing from one grade to the next higher, each class shall take up the various branches to be pursued just where they were laid down in the next lower grade, thereby making a regular system of study from the lowest to the highest grade.

The parents and citizens are earnestly requested to visit the schools and by their interest manifested by their frequent presence in the school rooms to encourage the pupils in their work and thereby contribute to their general advancement.

GEO. R. BROWN, for the School Board.

Respectfully submitted,

SAM. D. LEWIS, Treasurer.

We, the undersigned, Auditors for Newport Town School District, respectfully submit that we have this day carefully examined the foregoing account of Sam. D. Lewis, Treasurer, showing a balance of cash on hand and due the district of five hundred forty-five and 46-100, dollars (\$545.46) and find the same correctly cast and properly vouched.

Newport, N. H., Feb. 26, 1901.

SCHOOL AUDITORS' REPORT.

We, the undersigned, Auditors for the Newport Town School District, hereby certify that we have carefully examined the account of the School Board for the fiscal year from Feb. 15th, 1901, showing a balance on hand in favor of the District of three hundred fifty-three dollars and 28-100, (\$353.28) and find the same correctly cast and properly vouched, assuming that the balance due the Treasurer of the District, five hundred forty-three and 68-100 dollars, (\$543.68) as shown by his report for the fiscal year ending February 15th 1900, is the amount that the books of the board should show that they had drawn orders for in excess of the funds in the treasury on the same date, which cannot be ascertained from the cash book of the Board as it is not made up, balanced or audited for the fiscal years ending Feb. 15th, 1899, and Feb. 15th, 1900.

P. A. JOHNSON, }
S. M. RICHARDS, } Auditors.
